New E.H. Wachs Sales, Service and Rental Center in Pasadena, TX Location

E. H. Wachs has moved its Houston sales, service and rental location to [3414 Lilac Unit E, Pasadena Texas 77505](#). The new location is closer for industrial customers in the oil and gas market and to refineries in the shipping channel located in the Houston area. This facility sells, services and rents equipment for [pipe cutting and beveling](#) that include [Split Frames](#); [End Prep machines](#); [handheld valve exercisers](#); [power units](#); and [tooling](#).

The new location is one block west of the East Sam Houston Tollway and one exit north of Fairmont Parkway. Contact the Pasadena location for assistance in getting the right equipment for your application needs at 713-983-0784 or John Clark at 713-202-6115.
